Directed To: All Florida Wing Members

Date: 25 Oct 04

A special "Thank You" to Major Christie Mathison for her selfless service as Interim Director of Emergency Services. Major Mathison stepped forward and filled the void while still wearing another hat as Group Commander. That is dedication and we are truly grateful.

.....

Please join in welcoming Captain Jose Fernandez, our newly appointed Director of Emergency Services.

Captain Fernandez has served Florida Wing for two years as an ES Officer and Cadet Orientation Pilot. His interest in ES is partially an extension of his professional career. He started as a Respiratory Therapist, then Hospital CEO, then Deputy Director of Health - State of California - responsible for all Medical Care Services including the nation's largest Medicaid Program with a then budget of \$12.7 Billion.

Captain Fernandez is looking forward to developing an outreach program to assist Groups and Squadrons with their ES training needs.

He can be reached at: siboneymsports@aol.com or (C) 386-679-8106
Welcome aboard!
